Ordering Information

1. Orders for personalized pavers will be accepted and processed through out the season. After 250 brick are sold, phase one of the placement will begin.
2. You will receive a confirmation letter or E-mail within two (2) weeks of placing your order. Please review your personalized message very carefully. If you do not receive a confirmation letter or E-mail or if a correction is necessary call 734-429-3145.
3. If you would like your brick placed next to a friend/group of friends, your orders should be sent together. Every effort will be made to accommodate these requests, however the Washtenaw Farm Council does not guarantee that it will be able to fulfill all requests. If you wish to purchase a group, club or memorial in a block with a main center brick and surrounding individual bricks they must be submitted together.
4. Your inscription must fit within the spaces provided on each of the three brick sizes. See order form for specific space requirements.
5. Messages will be centered automatically, they may not be justified to the left or right. All inscriptions are in UPPER CASE.
6. The Washtenaw Farm Council reserves the right to refuse any submission it deems unsuitable.
